## We need fresh thinking and a smarter approach in these areas

- An innovative, smarter and more efficient Council.
- Deliver equity across all communities irrespective of where you live.
- Improvements to health and education to meet our local needs.
- Improvements to Bairnsdale Business and Retail District to attract the local community.
- Enhance car parking availability in the Bairnsdale Central Business District.
- Short-term and long-term strategies to assist small and large businesses in the Shire, particularly following the drought, bushfires and COVID-19.
- Improve safety – maintenance of footpaths and better street lighting.
- Protect and enhance our amenity and environment.
- Coordinated and effective approach to investigate and act on the health of the lakes.
- Better planning, especially for growth areas like Lakes Entrance, Paynesville and Metung.
  - Preserve village character and atmosphere and avoid multi-storey developments.
- Promote tourism to support business and the local economy.
- Encourage a wider demographic to move to the Shire.
- Best possible value from your Council rates.
- Excellence in the delivery of community services for all ratepayers.
- Proper budgetary and financial management.
- Address the increasing needs of our ageing community.
- Support additional programmes and initiatives for our youth.
